

SS144 STARSTRIDER TREADMILL

EASY FOLDABLE WITH SOFT DROP

SIMPLE EASY TO USE CONSOLE

EASY ACCESS TOGGLE KEYS

QUICK ACCESS INTERVAL TRAINING KEYS

Can't get out for your evening walk or jog?

Then this is the ideal model to maintain your overall fitness and well being.

Don't let the rain or be the reason for you not to keep up with your daily exercise. This Sturdy 1.25hp Entry Level Treadmill will keep you on track with your training schedule.

COMPACT & LIGHTWEIGHT:

This treadmill will not only fit a tight budget but is compact and lightweight making it suitable for a small room or office space as well as lightweight for those who do not need the added stress of moving a bulky and heavy equipment.

EASY FOLDABLE WITH SOFT DROP LOWERING SYSTEM:

Protect your back with the easy foldable soft drop lowering system. The running deck is light enough to lift up and fold away without straining your back.

EASY ACCESS INTERVAL TRAINING KEYS

Clearly visible speed, distance, time and calorie readouts will keep you on track with your overall fitness. For those times that you have a spurt of energy utilize the 4 Quick walk, jog and run interval training keys.

EASY ACCESS TOGGLE KEYS

Just need to slow down or speed up? Built in speed toggle keys in the handlebar makes this a safe and easy transition.
